

Petition to Release Death Data

Florida Department of Health Vital Statistics
Post Office Box 210
Jacksonville, FL 32231

Dear Sir/Madam:

I am writing you to petition you to release the data required by Funeral Industry Consultants, Inc., 4058 NE 7th Avenue, Fort Lauderdale, Florida 33334, to be able to continue to publish the annual report – The Statistics Book – Florida, which lists every licensed funeral home, crematory and direct disposer in the State of Florida along with the number of dispositions they handled for the year.

We have used this report for over 25 years and it has become important to our business operation and strategic planning in the funeral industry and allied suppliers.

None of the information requested is confidential information – they only need the funeral home license code (F040131) and # of dispositions by type (burial, cremation, removal from state, entombment, and other).

Please grant this request.

Sincerely yours,
